**MARAZITI, FALCON & HEALEY  
DONATES TO THE NEW JERSEY FOOD BANK AND  
POSTPONES ITS ANNUAL DINNER**

At a time when so many people are suffering as a result of the financial hardships being experienced by thousands of individuals who have lost their jobs; at a time when so many public entities have been forced to make reductions in staff and services; at a time when meeting essential human needs is becoming increasingly difficult, we at Maraziti, Falcon & Healey have decided that it would not be appropriate to hold our Annual Dinner this year during the League of Municipalities Convention in Atlantic City.

Instead of holding the Annual Dinner this year, Maraziti, Falcon & Healey has made a donation of \$7,500 to the New Jersey Food Bank. After much thought - given the long tradition of the Dinner - we have decided to make a statement, not only to be sensitive to the current economic distress felt by so many, but also to provide much-needed support to the Food Bank at a time when its services are in great demand and its resources are so greatly stressed.

We hope and expect that the situation will be different next year so that we can in good conscience reestablish our long-standing practice.
